You will barely see the days available highlighted - in this case - Tuesday Afternoon and Wednesday through Friday morning and afternoon are available

If you hover over the dates / days - It will give you a little hand icon that looks like this

It will not allow you to choose any morning or afternoon that is in the past

Click on dates/days needed - don't worry about morning or afternoon yet - use control to choose all the dates/days you need

The software will highlight the days and will load up BOTH morning and afternoon - the dates/day you have chosen will be blue

You will need to click on the blue circle with X  to DELETE the mornings or afternoons that you do not need
